

Pinecrest Beach Improvements

Contract Number	Contract Value	Completion Date	Prime or Sub
AG-9A63-C-14-0101	\$87,919.00	October 2014	Prime

Project Description:

Mountain Methods, Inc. excavated and removed 600 cubic yards of 5' minus boulders, stumps, and old concrete footings. All excavated material was separated and off hauled accordingly. The clean rip rap and boulders were utilized on another Stanislaus project at Frazier Flat Bridge replacement. 930 tons of new beach sand was imported, placed, and graded for user comfort in the designated swim area. The work was completed in minimum time available due to 401 Permit requirements.

Key Personnel:

Eric Sanders - Superintendent, Safety Officer
Dave Sanders, Sr. - Quality Control
